Fuel Type Electric
Cubic Capacity -
Engine -

£499,995.00

The Rolls-Royce Spectre marks the beginning of a bold new era as the brand's first fully electric super coupé. Finished in **Black Diamond** with a contrasting **Arctic White** coachline, this Spectre exudes presence and elegance from every angle.

Inside, a serene cabin wrapped in **Arctic White** leather is elevated by **R1-Black** detailing, **ventilated massage seats**, and a **Shooting Star headliner**. The iconic **Bespoke Audio** system, illuminated "**Spectre**" treadplates, and **piano black** veneers deliver an environment of effortless sophistication.

Gliding silently with cutting-edge electric performance and state-of-the-art technology, the Spectre isn't just a new Rolls-Royce—it's the future of grand touring, redefined.
